IATSE Political Action Committee Payroll Deduction Authorization Form

Dear IATSE Member:

Your union IATSE works for you on many levels, but by law your dues cannot be used to contribute to federal candidates. However, your Union (like most unions and large companies) sponsors a separate Political Action Committee (PAC) for this purpose which is funded by voluntary donations. Such a committee allows a union to amass small contributions from many members into a large campaign contribution which can really make a difference.

Our PAC only supports candidates standing behind issues of importance to IATSE members in their workplace, not extraneous social issues. Our next President will be appointing one or more Justices to the Supreme Court, a court which regularly impacts employees' rights on issues of safety, overtime pay, organizing and non-discrimination. The Senate plays a critical role in the appointment of judges at all levels of our federal courts who have similar impact upon employees and unions. A new Congress can do much more to stop non-union employers from unfairly taking work away from signatory employers and IATSE members.

Most members donate to our PAC through the convenience of having a small sum deducted from each paycheck: below is a payroll deduction form for your use. Please give as generously as your circumstances allow. Feel free to contact your Local Union with any questions about our PAC. Thank you for your support.

Sincerely,

Matthew D. Loeb
President
